The Honorable Tom Cole
Chairman
Committee on Appropriations
H-305, the Capitol
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Clinton Township Police Department Firing Range Project for fiscal year 2025. The project recipient is the City of Fraser located at 33000 Garfield Road, Fraser, MI 48026.

This project funds technological and equipment updates for Clinton Township PD firing range to improve its use for trainings and specific scenarios for the Clinton PD and neighboring departments or agencies, such as the U.S. Marshall service. The project is an appropriate use of taxpayer funds because it provides quality infrastructure for the manufacturers and distributors in the park, which will bolster economic development opportunities thanks to building high-quality infrastructure.

The project has a Federal nexus because the funding provided is for purposes authorized under the Office of Justice Programs' mission and aligned with one or more of the purposes described in the Byrne Justice Assistance Grants (JAG) program, section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "John James", written over a horizontal line.
