The Honorable Tom Cole
Chairman
Committee on Appropriations
H-305, the Capitol
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Clinton Township Feeder Roads Improvement Project for fiscal year 2025. The project recipient is the Clinton Township located at 40700 Romeo Plank Road, Clinton Township, MI 48038.

This project funds repairs for local roads providing access to major thoroughfares for thousands of residents. The project is an appropriate use of taxpayer funds because these roads provide access to major thoroughfares like Gratiot and Groesbeck to thousands of residents, which is another reason they are in disrepair. Better roads for residents is always a high priority for Clinton Township.

The project has a Federal nexus because the funding provided is for purposes authorized under 23 USC 133(b) (Surface Transportation Block Grant Program); 23 USC 201 (Federal Lands and Tribal Transportation Programs); 23 USC 202 (Tribal Transportation Program); or 23 USC 165 (Territorial and Puerto Rico Highway Program).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "John James".
